

# USING A COAL FORGE CLASS

*In this one day class taught by Roy Adams, we will delve into the proper usage of a coal forge. During the day, Roy will demonstrate how to start a coal fire, maintain a good forging fire, and the necessary steps to prepare forge welding fire. Students will practice each stage.*

*Space is limited to 6 students. No forging experience needed. Come for a day of forging fun, and leave with the knowledge to efficiently work with a coal fire in your own shop. Lunch provided.*

**DATE: Sunday April 14, 2019** from 9am to 5pm

**COST:** \$175/student (includes materials and lunch)

**LOCATION:** Cook Cabin Heritage Center located at 6707 Goshen Rd, Goshen OH (pull into the second entrance of the school and you will see the cabins at the back of the parking lot)

**REGISTER** by calling Jamie Gier at 419-209-2661
