

TONG MAKING CLASS

In this two day class taught by Roy Adams, students will learn how to make wolf jaw tongs. These types of tongs are extremely versatile. During the day, Roy will demonstrate how to draw out tong reigns, add a rivet, and shape the tong jaws. Students will forge their first pair.

Space is limited to 6 students. Some forging experience recommended. Come for a weekend of forging fun and leave with your own pair of forged wolf jaw tongs! Lunch provided.

DATE: March 9th & 10th, 2019 from 9am to 5pm

COST: \$350/student (includes materials and lunch)

LOCATION: Cook Cabin Heritage Center located at 6707 Goshen Rd, Goshen OH (pull into the second entrance of the school and you will see the cabins at the back of the parking lot)
